

# Reducing Waste in the RDBN

## Best Option = Waste Prevention

By recycling, you are already playing an important role in reducing waste in the Regional District.

### Here are some questions to consider before you buy — to help you further reduce waste:

- *Is it recycled or recyclable?*
- *Is it repairable, rechargeable or re-usable?*
- *Can I avoid packaging by using a b.y.o. bag or "to go" cup? If not, can this packaging be recycled?*
- *Will I be able to use this food before it goes bad?*
- *Can it be composted?*

REGIONAL DISTRICT  
OF BULKLEY-NECHAKO

## Recycling in Smithers - Telkwa & Area

### Extended Producer Responsibility

Extended Producer Responsibility (EPR) is a policy approach whereby responsibility for a product's end-of-life management is shifted from local government and taxpayers to the producers of that product.

BC has a growing list of EPR programs for products including:

- **Smoke alarms and carbon monoxide detectors**
- **Used oil, filters, containers and used antifreeze**
- **Household batteries**
- **Automotive batteries**
- **Cell phones and cell phone accessories**
- **Residential lighting including bulbs and fixtures**
- **A wide range of electronic devices**
- **Small appliances (e.g. toaster, vacuum cleaner)**
- **Outdoor power equipment (e.g. lawn mower)**
- **Leftover medicines**
- **Paints, flammable liquids and pesticides**
- **Tires**
- **Beverage containers**
- **Residential containers, packaging, cardboard and mixed paper**

For more information on EPR in BC, including drop-off locations, visit [www.bcrecycles.ca](http://www.bcrecycles.ca).
