Hours:
(May-September and by appointment)
Monday-Friday 10am-5pm

Take a step back in time to Telkwa's early years when you visit the Telkwa Museum. Housed in a 1920's era schoolhouse, visitors will find a plethora of displays and exhibits that detail Telkwa's early years, both before and after it officially became a town. Guests will learn about early First Nations people who first populated the region as well as interesting and eclectic facts, such as the story behind the creation of the first egg carton and its connection to Telkwa.

The Telkwa Museum is society owned-and-operated and is staffed almost entirely by volunteers who have a passion for history and who love the community. The Telkwa Museum is open from May to September and by appointment throughout the rest of the year. The Museum is wheelchair accessible and child-friendly. The Telkwa Museum also offers historical and educational presentations and events both on and off site, including at area schools.

The Telkwa Museum displays items of local history in the building itself, in an outdoor shed and in the St. Stephen's Anglican Church, which it also owns. The Museum also serves as a gift shop and Information Centre during the summer months. Tours and requests for information can be made at other times by contacting D. Boersema at 250-846-9607 or by email at dboersema@bulkley.net. If you would like to get involved, contact this number or any museum member.

Telkwa

Nestled on the banks of the world-renowned Bulkley and Telkwa rivers, the picturesque, historical village borders Tyhee Lake Provincial Park and is surrounded by snow-capped mountain ranges and a myriad of lakes and streams. Telkwa's spectacular natural setting offers extensive outdoor adventure and recreational opportunities.
